ED'S LETTER

Club DVD 8.7

As we put this issue to bed, we've had to put the heating on for the first time. The short-sleeved shirts have been put away, the winter coat is coming out. But don't despair – this is the best time of year to be a *Club DVD* reader. You don't have to look for excuses to stay inside with the latest issue – and these girls work as central heating that won't land you with a nasty bill. Yup, unlike the energy companies, *Club DVD* hasn't put it's prices up for years...

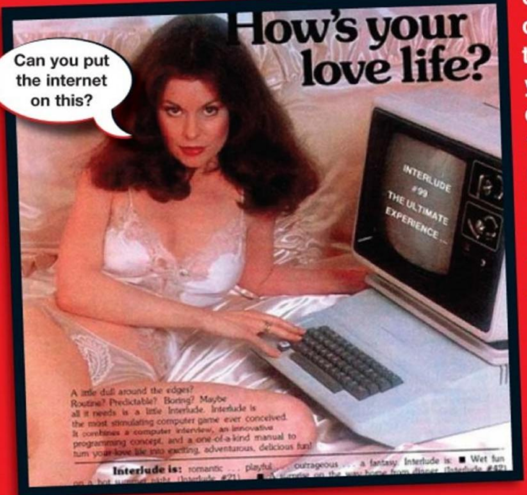
SMOO NEWS

FROM THE WEIRD WIDE WORLD...

SEX-APP!

Ever wonder how many calories you burn during the two minutes of passion you manage to muster with your Mrs? Or how many thrusts you managed before spilling your seed? Nope, us neither, but if the thought does ever cross your mind you can now download an app that measures your performance. From how long you last (or don't), how much noise your lady friend makes (yes, 'get the fuck off me you dozy twat' does count as noise) to how often you bother to do the deed, the app will record it all. The "Spreadsheets" app will set you back £1.50. Alternatively your Mrs will tell you how shit you are for free.



Can you put the internet on this?
INTERLUDE #99 THE ULTIMATE EXPERIENCE...

How's your love life?

A little dull around the edges? Routine? Predictable? Boring? Maybe all it needs is a little Interlude. Interlude is the most stimulating computer game ever conceived. It combines a computer interview, an innovative programming concept, and a one-of-a-kind manual to turn your love life into exciting, adventurous, delicious fun!

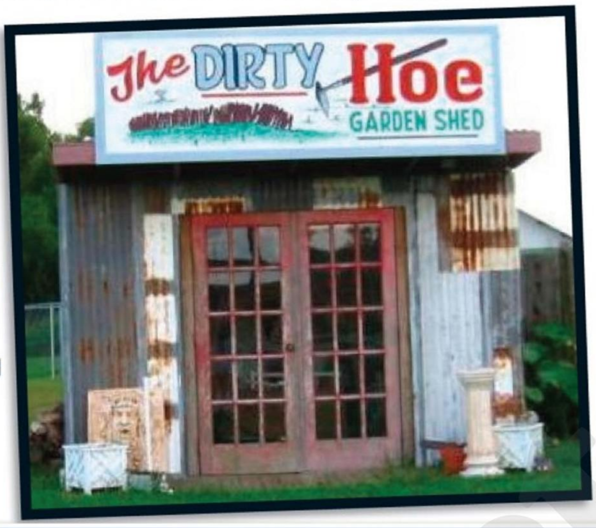
Interlude is: romantic . . . playful . . . outrageous . . . a fantasy. Interlude is: ■ Wet fun

DEATH BY DILDO - OR NOT!

An anarchist group in Spain has been reported to have packed vibrators full of explosives and shipped them off to various prominent Roman Catholics. Calling themselves the Anticlerical Pro-Sex Toys Group, it seems that the plan failed because the dildo prematurely exploded in the face of an unsuspecting postal worker. Well, it's got to be a better story than being savaged by Dobermans again. The group has since apologised, promising that the next lot of deadly sex toys will be programmed to detonate a little later.

RETURN OF THE SHED-I!

The practical people of Switzerland voted to go ahead in a referendum to spend £1.8 million of their hard-stolen Nazi gold to keep prostitutes safer in Zurich. They plan to build a row of sex boxes that drivers will use to do the dirty deed. Punters will first drive past up to 40 workers before negotiating a fee with their selected worker. The boxes, complete with emergency alarm and safer sex posters, will stay open to 5am and each worker will need to pay a £3.50 work ticket in order to use the sheds.



GEEKS CORNER! WITH JOEL

This month Geeks Corner is back from our Summer hols and hoping to stave off Autumn by kneeling at the alter of the riff with this triumvirate of the heaviest of cuts: A Storm of Light finally follow their acclaimed 2011 opus, *As The Valley Of Death Becomes Us, Our Silver Memories Fade* with the conceptual *Nations To Flames*, a steamroller heavy work with great use of sampled dialogue that adds grim tension to their bleak treatise on human failure, through the fall of governments, nations, and religion. Beehoover don't sound like their name would imply, they sound far better! After a three year wait their new album *The Devil And His Footmen* comes on like TV on the Radio stuck in a tussle with early Helmet, mixing itchy kineticism with a prog vibe and keeping one red eye on chugging stoner rock with the other on fist pumping 70's tropes.

Jesu's monolithic guitars have always plummed the Shoegaze end of the Doom spectrum but their latest album *Everyday I Get Closer To The Light From Which I Came* raises the bar on past work with a more spacious production giving their sound a dynamism reminiscent of Swervedriver's more plaintive moments, amid Mogadon-paced anthems, best heard in the 17 minute epic *The Great Leveller* – sterling stuff!

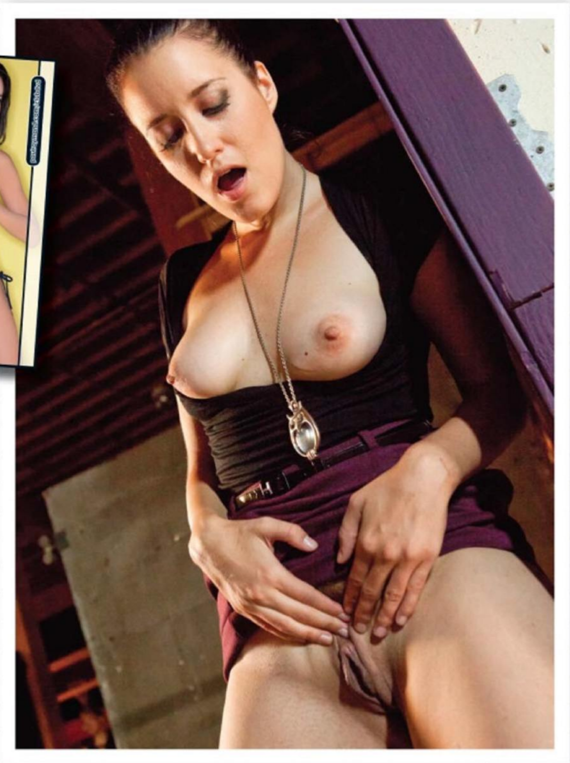
Alright Club DVD,
I have been getting the mag for a coupla years now coz I really do love the standard of girl you have in. For example, you had some photos of a babe called Marry Queen, who I've never heard of – and I would definitely remember her! Blonde, cute but filthy looking with big, natural jubblies, she looks like my perfect woman! Is she a Brit? Can you tell me anything about her please coz I think I'm in love!
Gregg, Redditch

Of course we can, Gregg, that's what we're here for, after all! The blonde honey is actually from the Czech Republic, has just turned 22-years-old and just in case you hadn't noticed, has the cutest freckles and most piercing blue eyes! She may have only begun taking her clothes off for a living in 2009 (when she turned 18), and made a mere 18 movies to date, but Marry has already won herself legions of fans across the globe with her mouthwatering 36D-26-37 curves. Oh, and it might have something to do with those awesome anal scenes she keeps performing in! If you've yet to see the saucy minx in action, we'd recommend Marc Dorcel's *Russian Institute: Lesson 15: Anna's Sisters* for pure, unadulterated filth!



Hi Club DVD,
Damn! I thought every pornstar would welcome being interviewed for a brilliant magazine! That Kimberly Kane is one sulky bitch. Shame.
Twinkle, via email

Now, now, Twinkle! It's lovely that you feel the need to fight our corner, but we think KK may just have been having a bad day when we interviewed her. Benefit of the doubt, and all that!

Dear Club DVD,
Had to write in and tell you just how much I'm enjoying your 6 Of The Breast features. It's good to see some variety in a wank magazine, and the articles are actually really interesting, too! Who knew that page 3 babe Jenny Laird had done time for dealing Class As or that Bree Olsen was in *The Kardashians*? Well, I do now! Cheers for that!
Leemo, Wexford

Cheers, Leemo! We aim to please, as well as inform – and we like to keep things fresh, so it's always nice to get some positive feedback! Turn to page 82 to see 6 Of The Breast celebrity sex tapes… Enjoy!

Dear Club DVD,
I've noticed that all your interviews are done by someone called Tamara Noon. That isn't the Tamara Noon from TVX, years ago, is it?
Curiouser & Curiouser, via email

Hey, Eagle-Eyes! Our roving interviewer is, indeed, the Tamara Noon that a few years ago was modelling for Paul Raymond magazines. You do know she was the Editor of *Club DVD* before Mr Emery took the reigns, surely?

Dear Club DVD,
I love *Club DVD* and have done for years, but I have a little suggestion for you to make the mag even better… You should have one, like, ropier-looking bird in it every month, sort of a 'girl-next-door' special shoot. A bit like *Escort* does. What do you reckon? Can I have a job?
Brian the Snail, via email

Ha! That's what we love about our job – we get one letter praising us for our standard of girls, then yours requesting 'ropier' models! No, Brian, we won't be lowering our stiff (ahem) requirement levels; you have to be something pretty damned special to be a *Club DVD* girl! And no, you can't have a job.

The *Amazingly Educational* Club DVD Wordsearch

WIN A LOAD OF PORN*

TOSSARY

Bum Tickler – A bum tickler, as if you couldn't guess, is also known as a cock. What else would it be?

Accommodator – Although you can buy special chin dildos, a normal, everyday strap-on will do to perform the accommodator. First, you'll need a willing participant, of the female variety. Attach said fake dick to your chin and proceed to eat your lucky girl out, all the while using your new appendage to fuck her back passage. Or, flip her over so you can screw her pussy and eat her arsehole – whichever works for you!

Tricky Piston – As with many Tossary terms, you'll need a pretty understanding partner for this one. While having a shag, make sure you get both her arsehole and pussy lubed and limbered up, then, when you're ready to begin the tricky piston, get your missus on all fours. Fuck away at her pussy until you feel like your ballsack's about to empty itself, then start quickly slamming it in her arse then pussy and back again. As you push your spunk out of her orifices, it'll (slightly) resemble a piston engine, letting off gas. Honest.

Puff-Puff – Nope, not the special attack in the *Dragon Quest* game, this puff-puff (also from Japan) refers to shoving your face between a woman's boobs for sexual kicks. Some of you may know this excellent pastime as motorboating, which we think is a much manlier term.

Hanging Ham – We like hanging hams, here at *Club DVD* – especially when encased in tight little shorts or knickers – and although they're more commonly known as beef curtains, we call them flappy cunt flaps. Catchier, no?

Wet Jessy – We wouldn't recommend actually trying the 'wet jessy' – unless you're after a police record – but it's our job to report these terms to you anyway. To pull it off, you need to sneak into a babe's bedroom while she's asleep, then proceed to wank yourself to completion, all over her. Then, leg it as fast as you can and pray you don't get caught and end up on the sex offenders register.

Angry Pirate – A.K.A. The pirate, – which, in Australia refers to a bloke on the pull for a no-strings shag, fact fans – this term describes a sex act in which you get your bird to give you a blowjob, then, when you're about to shoot your load, pull out of her mouth and jizz in her eye, while kicking her in the shin at the same time. As she reacts to her injuries, they say the result will be a one-eyed lady on one leg, screaming, "Argggh!", not unlike a pirate. And an angry one, at that.

Cactus – The only bad thing about your bird shaving her fanny is the regrowth; there's nothing itchier than a stubbly pussy – which, of course, is commonly known as a cactus.

Wedding Cake – The wedding cake is a sex term known by many other names. Let us elaborate: you're fucking your missus doggy style and you're having a whale of a time. When you're about to pop, pull out of her and empty your cream into your hand, then, in a gentlemanly manner, rub it all over her face, as so many couples do in a 'hilarious' way with their wedding cake. Just so cute!

Sea Monster – Admit it, we've all done it; when you're lying in the bath and you get the inevitable boner, you raise and move your hips so your cockhead peers above the waterline and swims around, resembling a sea creature or submarine. However, if you find yourself doing this regularly, or naming your sea monster, you may want to consider knocking it on the head, so to speak.

Albutophilia – When we write about unusual, but medically recognised, kinks, we often wonder how the 'sufferers' get by in every day situations, and albutophilia is no exception. From sexual fantasies involving water, to becoming aroused by other people soaking wet, albutophiliacs also get turned on by water itself, begging the question, how the hell do they manage to get out of the shower in the morning?

*We had to give you a reason to spend time doing our very educational wordsearch, and here it is! **Find the term listed that is not included in the grid, and you could win some porno prizes!** Send your answer to *Club DVD* Wordsearch, PRP, 23 Lyon Road, Hersham, KT12 3PU. Competition ends on 13th December 2013, and the first name to be pulled out of the hat wins a goodie bag!

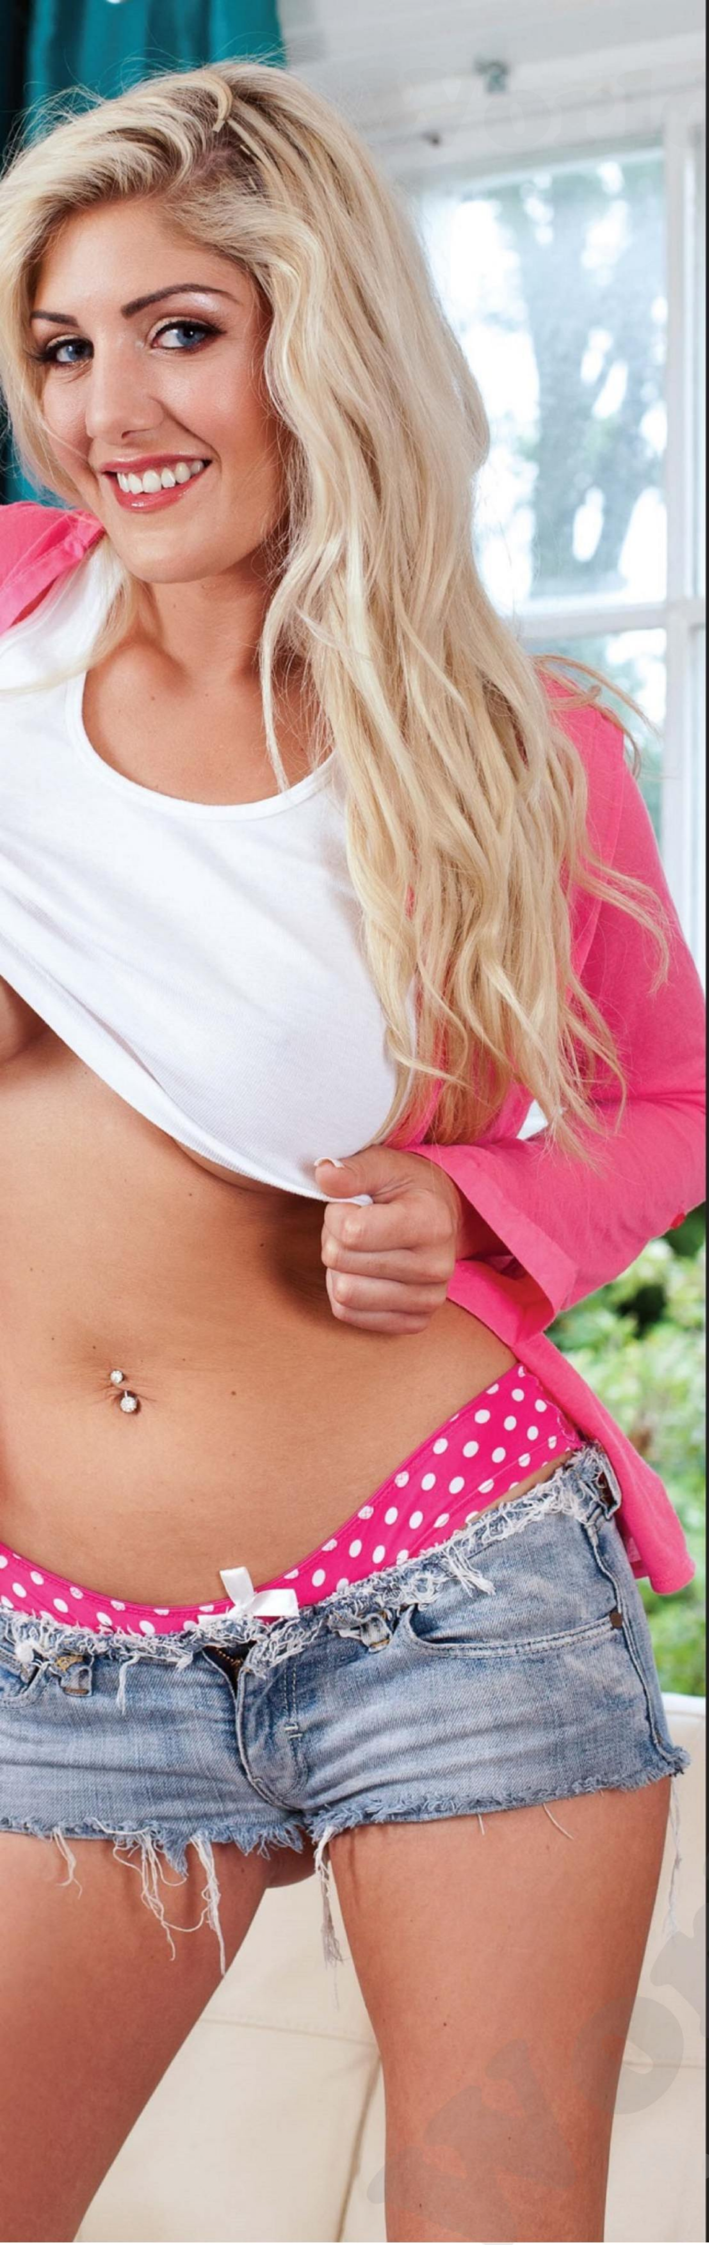
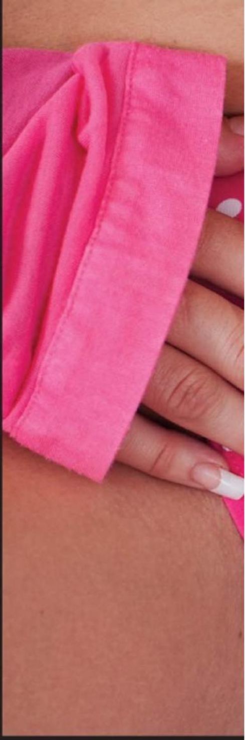
WorldM





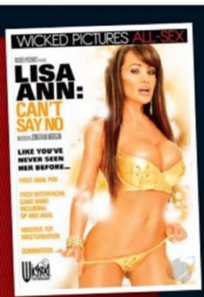
You can think of Sara as the girl next door. After all, she does actually live next door to someone. But she's the girl next door who flies around the world to model, indulge herself at VIP sex parties, hang with the great and good and then comes home occasionally to pose in photos for us. So, not your average girl next door then...

Lisa Ann: Can't Say No

Starring: Lisa Ann, Jenna Presley, Alysha Rylee, Jack Napier, Jon Jon, Karlo Karrera, Lexington Steele, Manuel Ferrara, Prince Yahshua, Tee Reel.

Directed By: Jonathan Morgan.

Available From: Wicked Pictures.



With worldwide recognition surrounding her hardcore impersonation of controversial American politician, Sarah Palin, Lisa Ann is an impeccable seasoned player whose star continues to outshine most. A multiple award-winning actress, recognised for her erotic excellence, including earning the coveted title of MILF/Cougar Performer of the Year in 2009 and 2011, Lisa Ann is as hot as they come. In fact, her body is a virtual wonderland of feminine delights that make her a favourite star amongst porn star aficionados. From her cascading brown hair, bazooka boobs, to her impressive double-bubble, Lisa Ann is where it's at.

With an angelic face, bangin' body and hardcore style, movies that showcase her on the cover continually fly off the shelves at record rates, including such blockbuster productions as *Mandingo Hide Your Wives* (Jules Jordan Video) and *Lisa Ann: Fantasy Girl* (Live Gonzo). Those prestigious accolades, along with her smoldering smile and killer pussy, are enough proof to say that like fine wine, this juicy grape is only getting better with age!

Agreeing wholeheartedly, director Jonathan Morgan and Wicked Pictures have created a star showcase upon which to bask this beauty in the glowing spotlight she deserves. In this special project, Lisa Ann gives a personal nod to her legions of fans by allowing them not only to choose the porn stars she will fuck in the movie and determine the gauntlet of spicy sexual scenarios she will face, but also the task of actually naming the production. With that said, we are pleased to bring you, *Lisa Ann: Can't Say No*, a six-scene masterpiece created just for you.

When I arrive on set, Lisa Ann is already in action. She's cascading down a flight of stairs wearing a hot pink skirt that barely houses her ample ass and a matching bra that is screaming to stay fastened across her 38DD chest. Her silky brown hair is neatly arranged in an elegant up do that accentuates the curve of her sexy shoulder blades and her legs are wrapped in silk stockings. "Is this what you are going to wear to the restaurant?" Manuel Ferrara smiles, recording her every move with his handheld digital recorder. Seducing the camera with her glossy lips and juggling her jumbo tits in her palms, Lisa Ann teases, "I kind of had a change of plans."

Now together, Lisa Ann tears her monster titties out of her bra and shoves them into his camera lens. The

"LISA ANN TEARS HER MONSTER TITTIES OUT OF HER BRA AND SHOVES THEM INTO THE CAMERA LENS"

LOVIN' LISA!

Porn superstar Lisa Ann is the perfect slut – curvy, cute and absolutely filthy. And in this starring vehicle she's taking on every possible combination of prick and pussy. Emma Edwards gets the scoop...

lens fills, causing his boner to bulge and his shorts to tighten around his hips. Continuing with her naughty tease session, she bends around the staircase and allows Manuel to test the snap of her pussy and the elasticity of her asshole with his fingers. "Can I take your skirt off?" he continues, wedging his digits into her deep holes, while still trying to maintain proper focus with his camera. "Yes please," this kinky kitty purrs, ready for more playful action.

"May I have this for dinner instead?" she continues, slamming his cock out of his shorts and into her mouth. With long, deliberate tongue swipes, Lisa Ann has his dick dripping with warm saliva in a matter of moments. Paying equal attention to pleasure his balls, Lisa Ann fills her mouth up with his nuts like a greedy little chipmunk.

"MANUEL SLAMS HIS COCK INTO HER ASSHOLE, MAKING HER SQUAWK LIKE A PARROT"

Now rendered a dripping wet mess, Lisa Ann is led to a buttery yellow couch and is planted on her hands and knees in a well-crafted doggie squat. Sinking in from behind, Manuel slams his cock into her asshole, making her squawk and squeal like a parrot. Barreling back on him with the same intensity, these two bang against each other like drums. After several more anal and vaginal positions, Manuel ends his POV (point of view) performance by splashing his crème fraiche across her juicy melons.

From here, Lisa Ann goes back into the make-up chair and reemerges looking like Aphrodite incarnate in a stripped bikini, turquoise jewels adorning her neck and her hair pulled back into a sexy ponytail. Taking her place on a gilded chaise lounge, Lisa Ann allows the sun to kiss her golden skin. After plenty of body ogling from Morgan's lens, we see Jenna Presley in the distance. Soon, she emerges from the water in a skimpy blue bikini, positively dripping with curvy goodness, from head to toe.

Standing above Lisa Ann, Jenna allows the water droplets from her body to cool her sexy conquest. Once she has Lisa Ann's undivided attention, she lowers down and graces the smokin' siren with a flurry of passionate kisses that leaves both of their lips and bikini bottoms wet. Continuing with the skin show, Jenna molds her small hands around Lisa Ann's womanly body, worshiping her every curve.

"You're so beautiful," Jenna delights, parking herself between Lisa Ann's sculpted legs. Peeling her panties down, Jenna happily gets to work by smacking her mouth, tongue and lips around Lisa Ann's juicy box. "Suck that pussy," Lisa Ann hisses,

holding Jenna down in place, stealing the breath from her lungs with some pussy-to-mouth connectivity. Eventually coming up for air, Jenna looks fuck drunk and pussy happy as her chin glistens with splashes of Lisa Ann's warm milk.

Afterwards, Jenna stands above Lisa Ann as they both pummel their pussies with slender fuck sticks in unison. In a matter of moments, Jenna begins percolating with pop, literally spraying her squirt over Lisa Ann's sweaty body. In a few more moments, Lisa Ann is hit by another one of Jenna's gooey gash blasts, followed by another. Once sufficiently dehydrated, Jenna falls to her knees and licks the squirt off Lisa Ann's legs and stomach. It's an incredible sight indeed that leaves Morgan licking his lips behind his lens!

As the second day of filming unfolds, Lisa Ann walks onto her industrial set looking like a world-class dominatrix, wearing a red vinyl dress with a leather flogger in her right hand. "You fuckers ready for me?" she hisses, getting into character. As she strolls around her dilapidated surroundings, she sees Alysha Rylee, a sexy blonde, tied up in chains and Karlo Karrera, a well-hung hunk, fastened to a guillotine. Ready to entice her kinky captures, she moans, "I should let you out so I can play!"

"JENNA FALLS TO HER KNEES AND LICKS THE SQUIRT OFF LISA ANN'S LEGS AND STOMACH"

Want a threeway with Palin? Alaska...

Would it kill these guys to hire a cameraman?

No, I said I'm a big fan of Roger Bannister...

Soon they are free, and the girls are on their knees slurping back Karlo's cock as if enjoying a spicy bowl of spaghetti. Mastering his dick from up above, Lisa Ann wraps her red lips around his mushroom tip, while Alysha repeatedly pops his balls into and out of her mouth. “Oh yeah, eat that shit,” Karlo chugs, watching these two beauties feast on his meaty parts with their happy tongues.

Once Karlo has been sufficiently sucked, he grabs his pretty captor by the arms and leans her over a leather table. After removing her dress, he hikes her right leg up and impales her pretty pussy in standing doggie. Now leaning forward, Lisa Ann grabs Alysha and spreads her legs open. “It's time for me to feed,” she hisses, eager to get a mouthful of pink meat. As Karlo continues splitting her seam, Lisa buries her face in Alysha's soggy snapper, cleaning out the blonde beauty with swipes from her pointed tongue.

From here, Lisa Ann barks at her sex slaves, urging Alysha to give up her asshole to Karlo so that she may watch. Unable to say no, Alysha gladly honours her master's wishes, leaping on Karlo in reverse cowgirl position. Now on top, she sinks Karlo's claw in her butt and energetically rides him out like a bronco bull. Helping her pummel his pole, Lisa Ann pushes on Alysha's body, encouraging her to go harder and deeper. Like a good little slut, she does!

Continuing with the sexual depravity of the day, Lisa Ann breaks down all barriers in her first interracial gangbang that has her pinned between five chocolate studs; Lexington Steele, Tee Reel, Jack Napier, Jon Jon and Prince Yahshua. Entering their deviant domain in a gold skirt, cropped jacket, and stiletto heels, Lisa Ann looks every bit the perfect porn slut. As she glides past the group of men, who are sexily adorned in sleek black clothing that matches their dark complexions, she tastes each mouth with her lips and inspects their jumbo-sized cocks with her hands.

“FLIPPING HER AROUND AND SWAPPING HER OUT FROM COCK TO COCK, LISA ANN SUCCUMBS”

“Have at it boys,” she eventually smirks, planting herself down on a lounge chair and spreading her legs open. One by one, the men invade her personal space, removing her clothing and pawing at her curvy body as if they were health inspectors. It's definitely a heart pounding type of situation.

Before too long, it's an absolute free-for-all with all five men doing exactly what they wish with Lisa Ann. Flipping her around and swapping her out from cock to cock, Lisa Ann succumbs to double penetration annihilation followed by her being rendered airtight on a number of occasions. She responds well with a community blow-bang session followed by the men dousing their chocolate pudding across her creamy cupcakes. It's nothing short of delicious.

Although our time on set concludes when the last drop of baby batter hits her tits, we're happy to report that the party rages on. Also included in this production is a jaw-dropping masturbation session that brings the house down, followed by a POV style blowjob that has Lexington Steele lowering his anchor down her skilled throat. Lisa Ann is idolised from every angle in this production, proving that she really Can't Say No. Sexually slick, seductive and very uncompromising, the results will leave us all on our knees in a deserved chant of, “We're not worthy!”

SUNSHINE

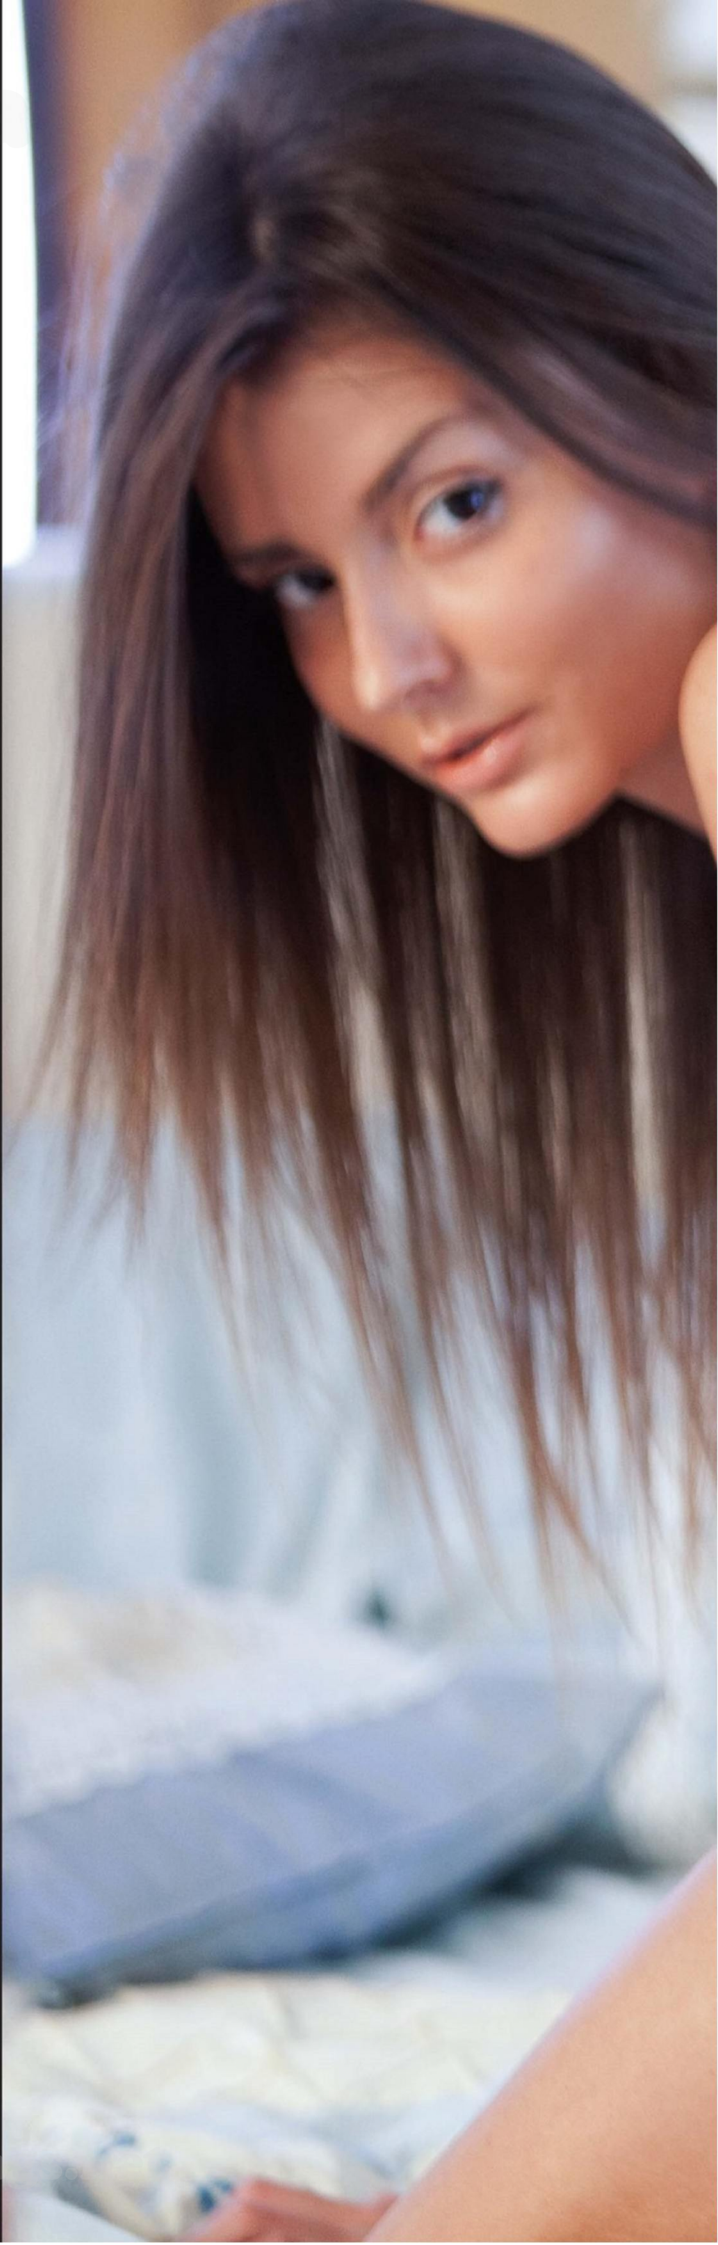
STRIPTEASER

Sunshine makes her debut in *Club DVD* only a few weeks after taking her clothes off for the first time in front of a camera. Nervous?

"Not really. I used to work in a lapdance bar and I've been naked in front of more people than just a photographer. But naked in front of a whole readership? That's a bit weird."

Wait until you start getting mail from them.

"That's what I"m waiting for. The ruder the better..."

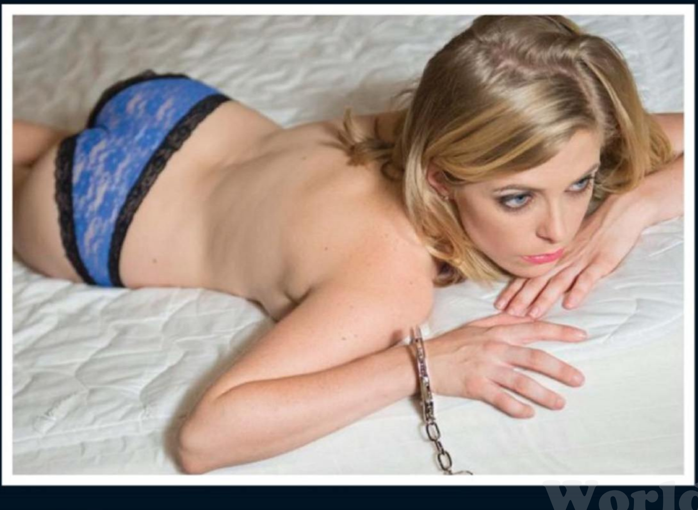


Seriously, this girl needs to buy a bed

Hi Jacky! Firstly, could you tell us a bit about your background, please?
I grew up in a suburb right outside of Washington DC., got my BA in Theatre with a minor in Anthropology. I went on to work for Corporate America for almost a decade before moving to LA to work in film.

Writing has been a deep love and passion of mine for as long as I can remember – and I literally have written everything from plays, to fan fiction, to erotic stories, to screenplays, to poetry to fiction. It's in my blood and I cannot live without writing. I'll always write, even if it's only for myself.

For those readers who aren't familiar with it, could you fill us in about your work with New Sensations?
I write primarily for New Sensations' Romance, Couples and Erotic Stories Series. These particular series target couples that are interested in watching adult films together – and also appeal to a market of consumers that want adult films that have more connected, natural sex. There are a group of people who watch adult films that actually WANT a plot! They like the mental aspect and the tension that dialogue brings to an adult feature. So far, I've written seven feature films for New Sensations and love every second of it! Two of my screenplays went on to win Best Screenplay at AVN and XBIZ (*Dear Abby* at 2012's AVN and *Torn* at XBIZ's 2013 Awards).



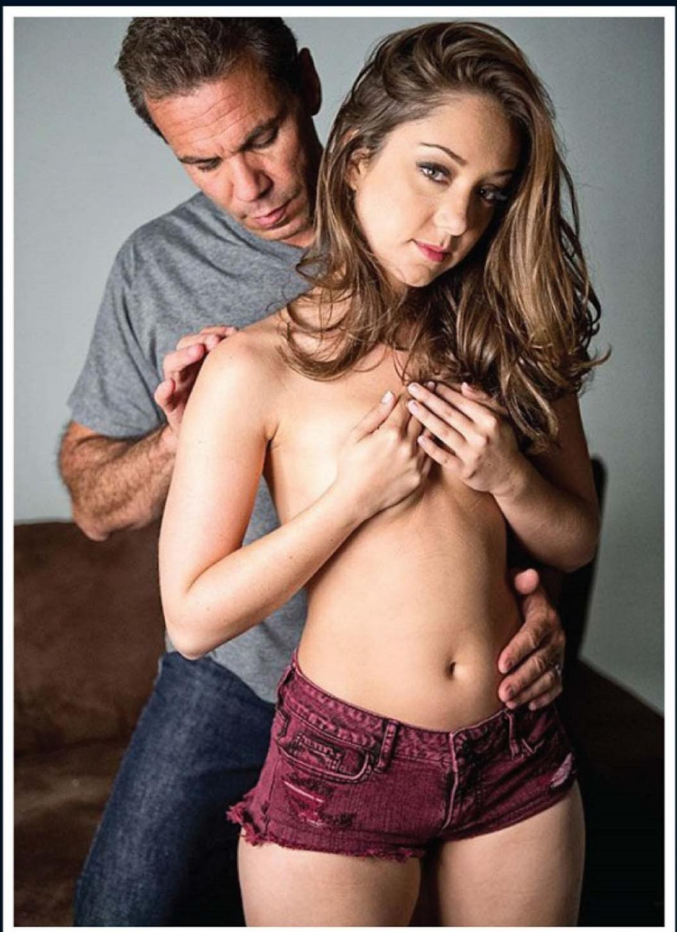
Your screenplay for *Dear Abby* was your first foray into the porn world – what were you doing immediately before and how did it come about?
Although I'd watched pornography since I was 18, I followed a pretty straight, narrow, conservative path. I went to college and got my BA. I quickly landed a great job in Corporate America and climbed the ladder. At the time New Sensations bought *Dear Abby* I was holding down two jobs. One was a part-time career coach for mainstream actors and the other was a full-time tech job that I'd been slaving away in for 7 years.

I decided to write my first adult script when I got wind of a writing competition that New Sensations was holding for the next Romance Series script. It was more-or-less a one-time thing and I didn't expect it to turn into a full-blown career. I was doing it simply because I loved to write and I loved adult films and it just sounded like a really fun thing to do. The screenwriting contest completely transformed my life, for the better.

Congrats on the success of last year's blockbuster, *Torn*, the first in the Couples Series

DAY OF THE JACKY!

Behind every feature porn movie you watch there are a team of crew working tirelessly to produce the best flick they can. Jacky St. James is the driving force behind New Sensation's Romance series; she writes the script, she casts the actresses, she directs and produces – in fact, the only thing she doesn't do, is act in them herself! *Club DVD*'s Tamara Noon picks the brain of this maker of mucky movies...



"I'VE SEEN COUNTLESS ADULT FILMS THAT REGURGITATE THE SAME TIRED STORYLINES"

(it won Best Screenplay and Best Couples-Themed Release at the 2013 XBIZ Awards). What was the idea behind it?

I like taking a completely unique approach to themes and ideas that have been done before. I've seen countless adult films that regurgitate the same tired storylines, especially about infidelity – and I really wanted to tell a story from a completely different point of view. *Torn* was a story of infidelity, told from a non-judgemental, positive perspective.

Initially I had talked to my boss about doing a story in which infidelity wasn't perceived as a wholly negative act and he loved the idea. The inspiration came from two friends of mine, who had been the product of an affair that ended up getting married and have been happily married for almost 20 years. After close to 40 revisions (I'm a bit of a perfectionist), I sent the script into my boss and he loved it.

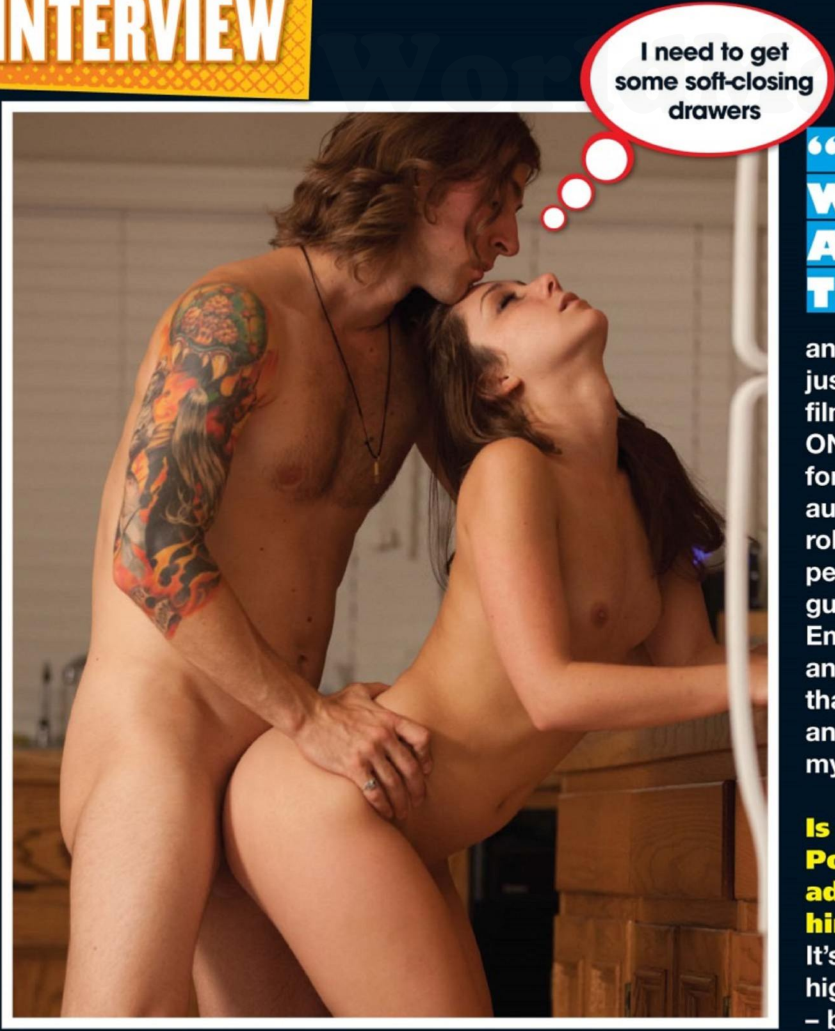
Although *Torn* is NOT the story of my two friends, it was loosely based on their relationship. The story itself was a huge risk – and I was afraid that audiences might try to vilify the characters of Drew and Mimi (played by Steven St. Croix and Remy LaCroix). It's hard to balance being likable when you're committing adultery, or when you're the mistress – unless of course, the person being cheated on is a horrible person and the affair is somehow justified. In *Torn*, all of the characters are good people, and the reason why it worked had everything to do with the performances of the actors. Steven and Remy brought a level of humility and compassion to their characters that made the audience see beyond the label of 'adulterer'. They deserve every ounce of credit for making Torn the success it was.

Were you surprised it was such a hit?

I was surprised that it won all the accolades it did, but I knew from day one of shooting we were making something pretty incredible. Everybody brought their A-game, and every person from cast to crew was passionate about this project.

The New Sensations crew does everything for the love and the creativity of it all. We never think about awards when we shoot. Never. I've heard stories of other directors talking about potential award nominations while they are shooting! That's absurd to me. None of us are motivated by awards. We're motivated by making good movies with creative people and bringing something special to life. Everything else is just icing on the cake.

Was the story based on real-life events?



I need to get some soft-closing drawers

"I DON'T REALLY LIKE WATCHING PERFORMERS ACT A ROLE. I LIKE THEM TO LIVE A ROLE"

Very loosely. The characters of Mimi and Drew are inspired by two friends of mine, but beyond that, it really was my own creation.

You've said that your latest release for New Sensations, *The Submission of Emma Marx*, was your most challenging to date; what made it so?

When we initially cast the film, Remy LaCroix and Xander Corvus were attached to the project. Then Remy quit the business and so did Xander for a period of time. I was heartbroken. I had laboured over that film for months. The roles were extremely complicated – so we had to set out to find the appropriate talent to shoot the feature. It was a blessing, because the loss ended up being our gain, when we read Penny Pax for the leading role.

The initial setback from losing Remy and Xander was the first of many. There were on-set challenges to post-production nightmares. I'll leave it at that. The movie turned out really great, so sometimes when shit hits the fan, it turns to gold!

Penny Pax is an inspired choice for the lead role in *The Submission of Emma Marx* – did it take long to find the right girl for the job?

We read eighteen girls. In mainstream that would be nothing, but in adult that is an awful lot. We read everybody from big names to newbies. It was a role that demanded an awful lot from the performer and we wanted to pick somebody equipped at handling it.

Sometimes bigger names are hard to mold and direct, because they assume they have all the answers. Sometimes newer people don't know just how much work goes into making a feature film – and that can be frustrating. Penny was the ONLY girl that had everything we were looking for – a combination of vulnerability, strength, and authenticity. I don't like watching performers act a role. I like them to live a role. Penny was the only performer who read the role and really gave her guts at the audition. She wanted the part. She was Emma Marx. Penny doesn't try to be anything or anybody she's not. She's true to herself and I love that about her. She also has a great personality and is hard working and she truly remains one of my favourites of all time in this biz.

Is it true that fellow director Eddie Powell helped you begin your career in adult? How does it feel working alongside him now?

It's a dream come true. I couldn't speak more highly of Eddie Powell. He's taught me so much – both as an adult director and a human being.

He's one of the kindest, most patient people I've ever met. He was the person who really reached out a hand and helped me break into this business. He is an artist. He puts in a great deal of effort into every project he works on – NOT for the money, but for the desire to be creative.

I loved Eddie's work before I'd met him. I'd watched tons of adult films and his romance/couples movies were better than anything out there, by a long shot. They were shot and cast beautifully so when I was trying to figure out who in the business to reach out to first, Eddie was the first and only one I spoke to. We hit it off immediately.

He gave me incredible advice about script writing for adult and he was pivotal in giving me my first big break in the biz, when he allowed me to be on set for the shooting of *Dear Abby*. Eddie is my creative and artistic soulmate. He brings out the best in me and is the best mentor I could have asked for.

You shot your directorial debut, *Power & Control*, last year for Digital Sin. Were you nervous?

I was a bit nervous. At the time, there were very few all-sex releases that were directed by women that focused on the psychological aspects of sexuality. *Power and Control* is the film that really mirrors my own fantasies, so I certainly had some vulnerability and fear when shooting it. It's like opening up a vein and saying, "have a look people."

***Power & Control* showed that you are just as good at making darker porn as you are making the more playful Romance series.**

Which do you prefer?
That's hard to say. Features (like the ones shot for the Romance series) are a lot more work and I get to work with the talent on their acting (which is a HUGE love and passion of mine), however, the simplicity of capturing something erotic that doesn't require hefty amounts of pre-production, etc. can be really enjoyable. I'm not a fan of picking favourites. I love them both!

Did you find it difficult to wear both the director's and the writer's hats?
Not at all. When you write what you direct, you have a keener understanding of what you are trying to accomplish; so for me, it's helpful to do both. When I write, I know how I want everything to look, and when I get to direct as well, I can make that happen.

How do you go about casting for an adult film – do you usually have a performer in mind for a role?
It really depends. There are certain roles I've written with performers in mind. I wrote *The Friend Zone* for Anthony Rosano. I wrote this latest feature (*The Temptation Of Eve*) for Remy LaCroix and Xander Corvus. Raylene was the only person I had in mind when I wrote *Torn*. However, with everybody else I cast I look for people that see something beyond what is written on the page. People who are willing to be directed (and don't assume they have all the answers), and people who are fun to be around.

I have a running list of people I want to work with (or work with again) and people I don't want to work with (or never work with again). When somebody blows off an audition or flakes on correspondence or doesn't bring their A-game to set, I don't consider them for future auditions or casting. There are far too many talented, hardworking people I've yet to work with, than to waste it on somebody who doesn't show initiative or interest. It takes a lot to make a great film – and there's no time for attitude or laziness.

"I ASKED JEWEL TO RUB LUBE ON HER BREASTS AND SHE ENDED UP BREAKING OUT IN HIVES"

Tell us some funny stories from any of your shoots?
Sometimes Paul Van Dik (our sound guy) and I get into friendly arguments about grammar. I have a very hard time recognising when to use 'I' versus 'me'. Most people wouldn't think that on an adult set, people are bickering over grammar, but on our sets, we do.

On the set of *Big Milf Juggs 3*, Jewels Jade and Mick Blue had a bit of a comedy of errors. I asked Jewel to rub a bunch of lube on her breasts, and she ended up breaking out in hives! Apparently she had an allergic reaction to the lube we bought. Then, during a position change Jewel accidentally kicked Mick in the face with her heel. It was one thing after another but they were both pros and actually ended up having a blast and turning into an incredible scene!

Finally, I had two performers that arrived to set in a MAJOR fight and I was terrified they weren't going to be able to fake it through their scene (it was for a couple's film). I'll just say that make-up sex really does change people's moods! The performers ended up delivering an A+ scene and I couldn't be happier! Any grudge they had prior to the scene, was history by the end of it!

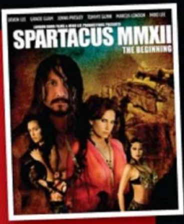
GLAD-HE-ATE-HER!

Buckles are swashed as we join London Gunn films on the set of Spartacus – which is somehow even ruder than the TV show...

Spartacus MMXII: The Beginning



Starring: Devon Lee, Miko Lee, Tanya Tate, Andy San Dimas, India Summer, Jenna Presley, Gracie Glam, Marcus London, Tommy Gunn, Tony DeSergio, TJ Cummings, Others.

Directed By: Marcus London.

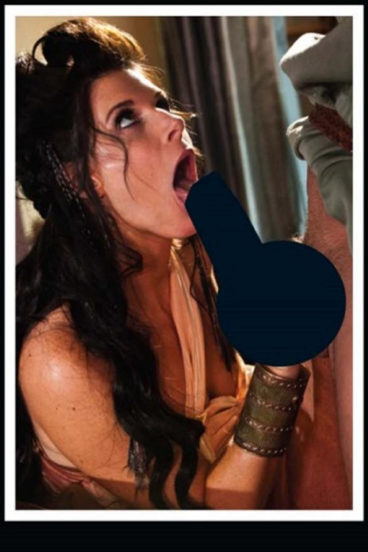
Available From: London Gunn Films/Miko Lee Productions.

Set deep in Greco-Roman antiquity, Marcus London (Spartacus) and Tommy Gunn (Crixus), two valiant gladiators, are sold to a sexually eccentric landowner, Tony DeSergio (Ludis of Batiatus) and his nymphomaniac wife, Devon Lee (Lucretia). Now thrust into an erotic world of physical violence, immense pleasures of the flesh and corruptible excesses that threaten their sanity, these two warriors must train for the fight of their life, battling it out against a mythological giant, Reno (Androcoles). Will these two gallant souls fall victim to their legendary opponent, or will they find unlikely allies in each other, ultimately earning the freedom they so desperately seek?

These are some of the questions and scenarios posed in *Spartacus MMXII: The Beginning*, an epic tale of love and combat created by director Marcus London for London Gunn Films and Miko Lee Productions. With an ambitious script, classic costuming, heroic battles, and state-of-the-art special effects, this is a sexual saga for the ages!

The legend begins with Devon Lee, the head mistress of the manor, summonsing Tommy Gunn into her private chambers to personally reward him for a victorious fight in the arena. Looking like a living goddess with a peach robe resting atop her soft skin like sunrays, and her hair tied back with gilded thread, Devon has never looked more beautiful. Rugged and handsome beneath his frayed exterior, Tommy obediently bows before his lovely owner, eagerly awaiting a taste of his tantalising trophy.

"Something of a higher standing is in order for my prized gladiator," she flirts, releasing the tie of her robe, causing the peach material to fall from her shoulders, exposing a pair of DD cans the size of casaba melons. Grabbing her tits in his paws, Tommy circles his tongue around her thick nipples and begins strumming her hairy pussy with his fingertips. "You are so beautiful," he compliments, maintaining piercing eye contact.



Continuing his descent down her body, Tommy spreads her legs and rolls his tongue across her soggy slit, causing her to grab hold of a nearby chair for support. Now squatting above his face, Devon dangles and dips her slit over his mouth, enticing him with one gooey swipe of the tongue after another. “Do you have any other offerings?” she flirts, as he adds in a flurry of fingers for good measure.

After returning the favour by extending him an expert oral session of her own, Devon rests herself on all fours, atop the silk sheets of her palatial bed, and urges him to continue. Taking his place behind her, Tommy lays into Devon’s pink pussy, pleasing her like no other. Visually a dynamic duo, Devon looks prized, pristine, and precious when compared to Tommy’s raw and gritty persona. Either way, the contrast between them is hot!

Next, in an effort to please her dutiful husband, Tony DeSergio, Devon later beckons for India Summer, an impressive maiden from the faraway land of Sicily. Gliding into their expansive dining room, India looks perfectly edible in an apricot-coloured dress that exposes her natural tits and firm physique. “Your darling wife requested my presence,” she charms, lunging toward Tony to taste his lips.

“DEVON DANGLES AND DIPS HER SLIT OVER HIS MOUTH, ENTICING HIM WITH TONGUE SWIPES”

Now locked in a lover’s embrace, India and Tony connect, while Devon takes a seat on the sidelines, watching this raven-haired stunner pleasure her husband. “Warm your cock inside of her, so that later I may taste your seed,” Devon purrs, thumbing her clit in anticipation for the hardcore to come.

Now sprawled across the dining room table like a feast for Caesar, India reaches for Tony’s big cock. Packing it to the back of her throat, India implements some sexy oral techniques that showcase her impeccable mouth skills. “Don’t forget my balls,” Tony charms in a thick English accent, watching India stuff his nuts in her cheeks like a ground squirrel.

Just as Tony enters India in a standing doggie arrangement that perfectly showcases her shapely legs, Andy San Dimas, Devon’s lady in waiting, enters the room. “You called for me madam,” Andy subserviently responds, instantly falling to her knees to finger and lick Devon’s exposed, wet pussy when she sees her mistress is all heated up. Talk about the perks of having a personal handmaiden, literally!

After Tony pleasures India in a missionary spread across the table, Devon rises to feet to finish her husband off. Switching places with India, Devon gets her royal arches reamed in missionary position, as Tony pumps her full of lead. Including herself in the mix, India squishes and squeezes Devon’s fat titties while Tony continues excavating a pathway up her vaginal canal. After about five minutes of solid cock to pussy pounding, Tony pulls out and shucks his regal load across Devon’s pearly white teeth.

Next, Devon and Tony are visited by the Senator (Brad Armstrong), his sexually ravenous daughter, Tanya Tate, and various members of their esteemed court. Excited to treat their guests to feasts of flesh, forbidden fantasies and the exhilaration of gladiator combat, they allow their guests their desire of choice. As the men happily immerse themselves amongst the band of sexy slave girls, Tanya is unfortunately left without a suitable partner.

“What about me?” Tanya asks, hungry to sink her cougar claws into some seasoned man meat. “I offer you the best cocks ever assembled,” Devon charms, opening up a nearby gate to allow four prized gladiators to enter. Scanning the men as if they were sides of beef, Tanya feels her way around their muscles and inspects their cocks with precision. After a few moments, she chooses Marcus London (Spartacus). “You will please her in any way she wishes, or we’ll see you to the mines,” Devon snarls, releasing Marcus to his new lady friend.

Taunting and tormenting Marcus about the vast difference of their societal status, Tanya

> **“OFFERING A BLOWJOB THAT HAS HER LIPS, MOUTH, TONGUE AND HANDS WORKING IN PERFECT UNISON”**

spews, “I see defiance in your eyes. Show me your anger!” Just like that, the caged lion within Marcus escapes. He aggressively buckles Tanya in a standing doggie arrangement, belts her red dress around her waist, and lays into her pussy like a hammer to a nail. Fucking her hard, fast and with great aggression, Marcus appears to be letting out his pent up frustrations on her pussy. “Fuck me like you want to fuck your woman,” she charges, as pussy gloss comes running down her legs like freshly tapped syrup from a maple tree. It’s a highly intensive display that leaves everybody horny and on the edge of their seats!

Meanwhile, Tony DeSergio is in a secret meeting with Miko Lee, the Senator’s sexy subordinate. Trying to strike up a deal with her to secure his business standings with the Senator, Tony is prepared to pay any cost necessary to ensure the survival of his kingdom. “I think we can arrange something,” she seductively purrs, falling to her knees to pleasure his big dick.

Offering a tremendous blowjob that has her lips, mouth, tongue and hands working in perfect unison, Miko delivers the best blowjob of the entire production. Surprised by this unexpected windfall of oral delight, Tony grabs Miko’s black hair in his hands and urges her to maintain steady eye contact with him throughout. “Look at me with those beautiful eyes,” he practically pleads, visibly falling victim to her sexual prowess and skillful mouth.

Keen on returning the favour, Tony hoists Miko onto a banquet table and positively feasts on her beautiful snapper. Folding and curling his tongue around her pink pussy parts, Tony ensures Miko explodes with orgasmic delight before stuffing her full of meat. “Want more?” he questions, now smacking the hood of her clit with his cock. Shaking her head yes, Miko rests her legs against Tony’s shoulders and winces when he initially penetrates her pretty pussy. It only takes but a moment before her vagina is well acclimated to his hostile style of humping. Energetically sinking her nails into his hips as he bucks, Miko proves to be an active participant even though she is positioned on the bottom. Wanting to up the ante, Miko continues by allowing Tony to plough her asshole in spoon position. Maintaining their steady sexual chemistry throughout, it’s safe to say that Miko was good ‘til the last drop.

As the dawning of the big fight against Androcoles nears, Tommy Gunn and Marcus London spend their time training for the battle of their lives. As they prepare, other men from their battalion take this as an opportunity to service their lovers one last time, for they know that their deaths are imminent. This leads to an excellent encounter whereby Andy San Dimas enters the gladiator’s underground chambers, offering her body, mind and soul to TJ Cummings, her amore. It’s hot!

Once the supreme battle is underfoot, Tommy and Marcus fight their hearts out against Androcoles, pleasing the crowd with their death-defying skills and barbaric talents with gruesome weaponry. After blood has been shed, lives have been lost and when the dust clears from the arena, who will be crowned the victor? Guess you’re going to have to get your hands on a copy of this epic saga to see what happens next. With so much more left to experience, is this the end, or is it simply The Beginning?

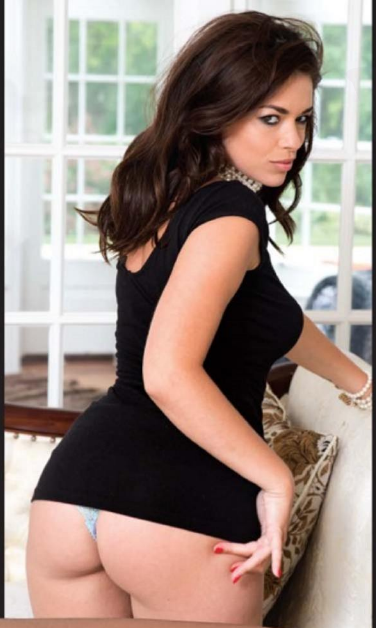
AVA



WorldMags

Ava Dalush has been so busy with her film career recently – the kind of films where ladies take penises in their mouths and foo-foos – that we didn't think she'd fit little old *Club DVD* into her schedule. Wrong. In fact, when she came by, she spent a long time here, being charming, sexy, flirtatious and making us all wish we were in front of cameras with her, putting our penises in her mouth and foo-foo...

CURRIE ON...

PUBLIC SPEAKING!

Our resident porn queen columnist, Karina Currie, kicks some serious ass when asked to address a conference set up to defend the rights of the porn consumer...

Hello again, you sexy fuckers! Firstly, I've got to say a big thanks for actually reading my column, instead of being the usual 'flick through the written stuff and focus on the pics' kinda guy or girl.

If you've been following, reading and actually interested in my previous articles then you may have noticed that my attention has been very much focused on the following:

a) David Cameron's current political standpoint on internet pornography

b) Politicians who I won't name, in case of any possible future legal battles I can't afford to fight, but would definitely win!

c) The proposed censorship of pornographic content, via opt in/out terms, which the government set up and then enforce the current ISP companies to adhere to.

d) And finally feminists who seem to want nothing more than to kill off any kind of female sexuality, deeming it degrading and disrespectful.

Well, for those that are getting bored with reading 'the same old censorship, political shit' that I've been spouting lately, I'm here to tell you that the end is nigh! I'm rounding it up, and capping it off and putting the soapbox to rest.

I've done all I can, and apart from continuing my education of the unenlightened nation, it is now down to you! Yes, that's right, you. You, the reader, the porn consumer, the connoisseur.

It's all well and good that industry people have their conferences and public meetings but, unless the buyer of the end product stands and allows themselves to be counted, what hope do we have?

On the 23rd of September 2013, I was asked by Jerry Barnett, a former adult webmaster who now heads the sex and censorship campaign and a proactive supporter of the freedom of speech coalition, to speak at the Sex and Censorship rally, held at the XBIZ EU's annual London convention. I was to represent and speak for the porn industry's female performers, and was chosen for being an empowered, non-victimized product of the industry!

As you can imagine, I was extremely flattered and honoured to be asked to do something like this, and to be given a room full of captives, who had no choice but to listen to my rants for at least

"I WAS EXTREMELY FLATTERED AND HONOURED TO BE ASKED TO DO SOMETHING LIKE THIS"

10 minutes! Delicious! Until I was the first to be summoned! Obviously, I totally shit my pants when it came to speaking, and quite surprisingly, when I was called first to speak! This was completely unexpected, and I was always under the impression I was to be second up!

Joining me in the very open-to-public meeting were the very honourable (see pic 1 left to right)

Myles Jackman: Nominated for Junior Lawyer of the Year on the basis of his outstanding work on obscenity law. His work has been instrumental in challenging the legal framework in which sexual morality is represented. He has acted in a number of high profile cases, and provides extensive pro bono support for sexual liberty and freedom of expression charity Backlash.

Kirsten Neil: Glamour puss, ex-stripper, and very much a lady of intellect and class.

Ben Yates: Adult webmaster and designer.

Hosted and presented by Diane Duke, an Executive Director of the Free Speech Coalition, the trade association for the adult entertainment industry. A current activist in pornography rights and, like me, a self-proclaimed modern feminist, who very kindly gave us her time, flying in from the USA. What a pleasure it was to meet her.

So, biting the bullet and taking the stage, the wine or two I'd downed for Dutch courage taking full effect, I began.

Now as most humans would agree, seeking affirmation after 'your bit' is essential, to validate that you didn't make a complete arse of yourself in front of an audience, so I'm glad to say that most feedback was encouraging. Although I have to admit I much appreciate the only bugger who told me honestly and truthfully, that you could kind of tell I'd had a bit too much of the wine, was the legend that is Terence Stephens! Damn, he knows me too well!

"BE PREPARED TO HAVE YOUR FREEDOM OF CHOICE TAKEN AWAY FROM YOU"

One of the questions raised after the four of us had spoken was, "What are we doing about the proposed censorship laws?" Highlighting the fact that there was a lack of general public attending the meeting.

I didn't get a chance to contribute in the answers offered by the panel, but what I would have said, if given the chance, was this, 'for everybody that is sitting in this meeting, they must now go on and tell six of their friends, who in turn will then tell six of their friends and so on and so forth.'

The same way they teach us the way a communicable disease could be spread, so can the words and efforts of a worthy cause be promoted. For every reader that has taken the time to get this far into my column, then why not tell six of your friends?

For those who think it's pointless, be prepared to have your freedom of choice taken away. Don't moan when you have to contact your ISP to get online for a wank. Yes, this is a hard-on killer and, trust me, you won't be wanking after the time spent on the phone to your internet provider, explaining and proving that you are in fact a normal person and not some kind of sexual deviant.

Join the protest and support the cause by following @pornpanic on twitter or by joining the sex and censorship Facebook group.

PEACH

In this fascinating world, there are lots of types of fruit. But in the world of glamour, girls seem to like peaches. There's Peach here, there's another Peach out there, there's Peaches too. What gives?

"Well, for me, it's simple. The first porn film I ever saw was an old classic called Pretty Peaches. It turned me on to sex, it turned me on to cocks, it turned me on to boobs and being bisexual. I feel like it kickstarted my life."

We've seen it, we know what you mean.

"Right? That's why I have a large vintage porn collection. Why don't you come round and we'll dig into some classics?"

That's an invite we can't turn down...

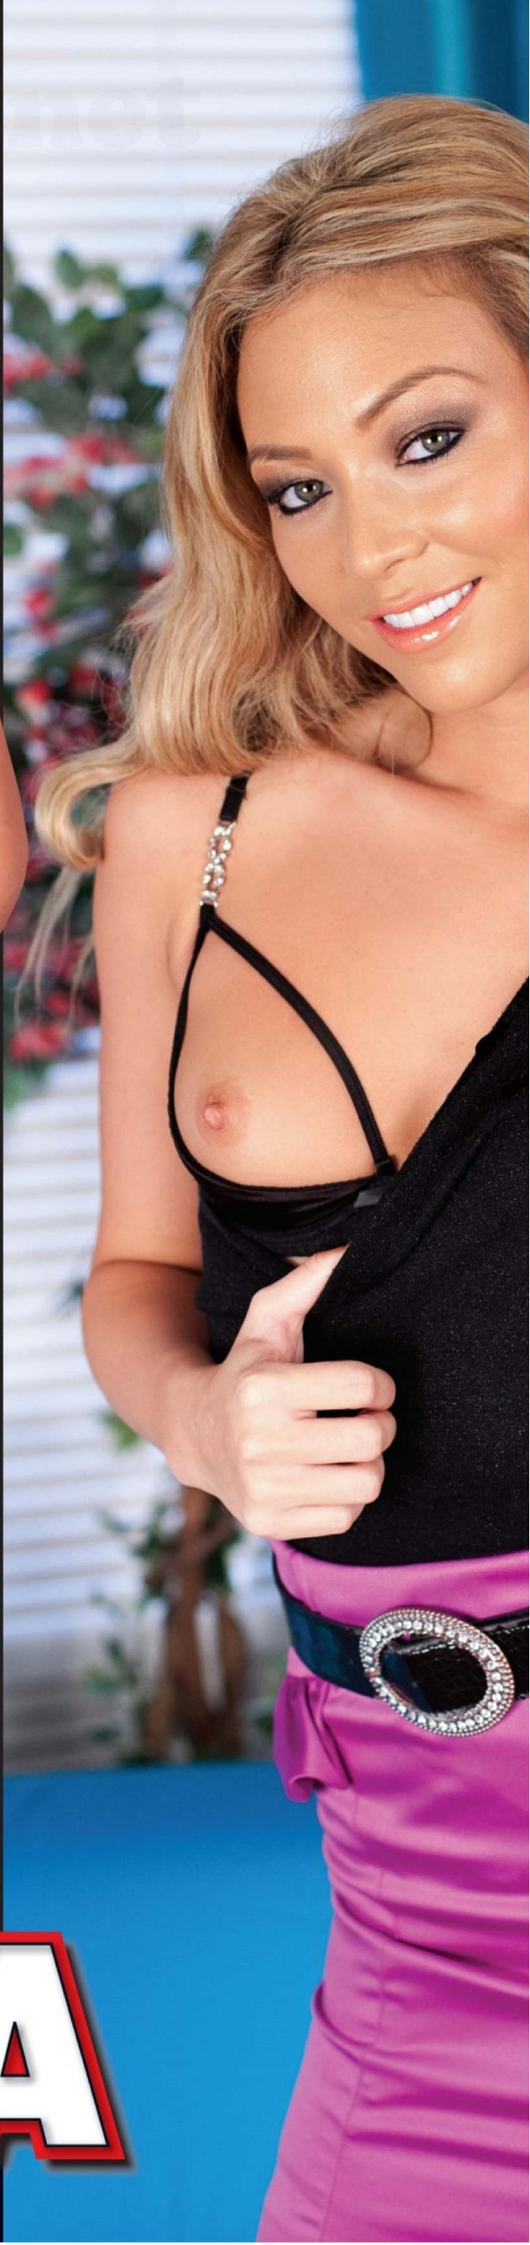
NATALIA



STRIPTEASER

No matter how many times we see Natalia – and it's a lot – every time it's like seeing her anew. She's that kind of bubbly girl.

"That's sweet of you," she says, peeling off her clothes to reveal a hint of nipple, a glimpse of pink pussy lip. "I really love being in *Club DVD* and doing these videos for you," she continues, turning around to show us her perky posterior, before bending over to give us a view we'll take to our graves, "but why me?"

Natalia, actions speak louder than words...

CONFESSIONS OF A CHAM

Got a filthy tale or two to tell? Get it on an e-mail to clubdvd@paulraymond.com and you could earn yourself a sweet £100! And you can send us the snaps too!

My best mate, Caroline (not her real name), treats sex like it's a competitive sport! She was first to lose her virginity and took the piss out of me because I hadn't. Even after I had, she'd call me boring because I'd only ever been with one bloke, Billy, who's now my fiancé, while she slept around.

About a year ago, she got serious with a guy called Matt, not that she gave me a break even then. Now she started bragging about how dirty they were in bed – like she'd read *50 Shades* then acted like she'd invented kinky sex.

Me, Billy and Matt, who's a laid-back guy, just laughed it off until the four of us went on a weekend away, and Caroline kicked off again, saying she and Matt had talked about swinging.

"Not seriously, though," said Matt, only for her to say there was no point asking us to join them because we were "like some boring old married couple".

Billy'd stayed quiet up till now, just rolling his eyes, then said, "I'm up for it if Leonie is." We'd all had a few drinks – not so much we didn't know what we were doing but enough that it ended up as a game of chicken with no one wanting to back out, to call Caroline's bluff.

Matt said we should just partner swap, rather than having a foursome, and came to our room while Billy and Caroline took theirs. Once we were alone, he said maybe we should just sleep and he'd crash on the floor. I said he could share the bed – I trusted him. He was still fully clothed although I took off my skinny jeans to sleep in knickers and a T-shirt.

I could say my hands wandered in my sleep, but the truth is, Matt's pretty hot – one of Caroline's trophy fucks who turned out to be a good bloke.

He had his back to me and I trailed my fingers up and down it, getting closer to his firm arse every time. He murmured sleepily, "You do know I'm not Billy, right?" and when I said yes, that was it.

He rolled over and we started snogging, his hands on my back as I rubbed my tits up against his chest and tangled my bare legs with his denim-clad ones. As my thigh pressed up against his crotch and I felt a hard bulge, I asked would he be comfier if he took them off.

It wasn't long before the pair of us were naked. We got a good look at each other – Matt looked toned without being a gym freak and though I'm not as curvy as Caroline, he looked impressed, especially when he teased my nipples hard. He had a nice big cock on him too, and I didn't wait to get my hands on it.

As I wanked him slowly he sucked on my tits. I was desperate for him to play with my pussy so I wriggled around, legs splayed, to try and coax him, but he kept me in suspense. Even when his hands finally moved between my thighs, he just used his fingertips on my outer lips – so frustrating! I tossed him a bit harder and faster, then he had me on my back, spread out in front of him as he knelt between my legs. He put his hand over mine, then took over wanking himself, before rubbing his helmet along my slit and against my clit.

My pussy started pulsing, desperate to feel his cock – or even a finger, anything – inside it so when he finally moved it down and I felt it slide in, opening me up, I came so hard it was like I was exploding around it, instantly.

I thought now he'd made me cum, he'd just fuck me hard and fast so he could get off too – fair enough, I suppose. But he just kept pumping me slowly, saying that as this might be the only chance he had to screw me, he wanted to make the pleasure last as long as possible.

This included my pleasure. He dropped a hand down and thumbed my clit so while my pussy was stuffed full of his thick meat, he was able to fondle my clit, squeezing it against my pubic bone. I orgasmed again, with more of a build-up this time, my entire body shivering as my cunt shuddered and clamped around his shaft. But he didn't give me time to come down before playing with my clit again.

I went with it, although it felt so tender it was like pleasure-pain, but when I came I moaned so loud I had to put my hand over my mouth to muffle it – we didn't want other hotel guests complaining! Matt went to touch my clit again, but this time I begged him not to – it would be too much.

Now he did just focus on himself, though he snogged me as he slammed his prick in and out of my fountaining pussy. As he hit those last few strokes he asked could he cum on me and I said yes, so he pulled out, slapped his dripping prick along my slit, then rubbed it until his jism spurted out, so hard and far some splattered up between my tits.

While we were pillow-talking, I asked did he do that to Caroline. He said yes, but she couldn't usually handle cumming more than twice in a row. One time he'd tied her up and she'd refused to use the safeword to make him stop so she reckoned she'd "won" just because he'd

"AS I WANKED HIM SLOWLY HE SUCKED ON MY TITS. I WAS DESPERATE FOR HIM TO PLAY WITH MY PUSSY THOUGH"

# of PION SHAGGER!

"I LAID ON MY BACK. AT THIS ANGLE HE COULD FUCK MY MOUTH AND THROAT AS DEEP AS HE WANTED"

decided to have mercy!

"Likes it kinky, does she?" I asked him, with a grin. He shrugged – I'm still not sure if that meant "not really" or "mind your own business", but I felt his dick get hard when I told him I use toys and that I've let Billy spank me.

He said he spanked Caroline a lot, because it was the best way to get her horny for anal. If he just asked straight out, she wouldn't let him up her arse, but once he'd warmed her cheeks and told her she was a bad, dirty little tart who deserved to get her bum filled with hard dick, she'd be begging him to do her there.

I asked did he want to fuck me like that and his answer surprised me a bit – he said he'd rather get a blowjob. I told him I thought that Caroline was queen of the cocksuckers – she'd definitely had a reputation for that before. But he reckoned she'd gone off it now they'd been together a while.

I had him sit on the bed, legs open, so I could kneel between them. I got a firm grasp on his shaft and as his helmet swelled I ran my tongue around his crown, flicking it over the bulging, shiny skin. I let a little in, sliding it out and taking more in at a time until I had the top couple of inches wedged between my tongue and the roof of my mouth, sucking on it slow and steady.

He kept grabbing the back of my head, trying to pull me a bit further down on it. Not rough, just hopeful! When I pulled off him, he thought he'd upset me, but I told him to switch places. Now he was stood on the floor while I laid on my back on the bed, head over the edge. I knew at this angle, he could fuck my mouth and throat as deep as he wanted, just as long as we stopped for a breath every few strokes.

I sucked him as he pumped in and out, flecks of spit escaping out of the sides of my mouth. His balls were bumping against my face so I took them in one hand, massaging them, as my other hand clutched the base of his prick. This still let him sink in deep, but as he got hornier, he had me focus on the head of his prick. It was warm and salty and sucking on it got my juices flowing again, and my clit was so sensitive, I got little bursts of pleasure shimmering through it just from squeezing my thighs together.

Now I was tasting his pre-cum, feeling it drip down my throat. I twizzled my tongue around his head. Then I felt it jerk in my mouth as he lost his load. And as he did, I just sucked as hard as I could and swallowed, before letting him slide out slowly, his helmet throbbing against my tongue-tip as I scooped up one final drop.

When we met Billy and Caroline the next morning, things were a bit awkward – Billy said he'd bottled it and Matt said nothing had happened between us either. Later on, though, Billy said it was Caroline who'd freaked out. I admitted to Billy that we'd lied for her sake too and he was fine with what I'd done with Matt – though I gave him one serious blowjob too, just in case he felt jealous!

Fingers crossed Caroline won't be doing so much bragging about her sex life now. But I'm wondering if I can have more fun with her boyfriend, maybe with Billy watching or joining in…

CANON EOS 100D

Canon
EOS
100D
CANON ZOOM LENS EF-S 18-55mm 1:3.5-5.6 IS STM
φ58mm

Whilst so many companies diversify in a (very often failed) attempt to grab the consumer's money, Canon resolutely stick to what they do best, releasing products that improve on the previous. In this case, however, they're definitely placing a stake in the ground by releasing perhaps the smallest APS-C DSLR ever. Almost all the features of the larger model are included (only losing the flippable LCD), including exactly the same sensor and as a result the picture quality is short on compromise. In fact, by using version II of Canon's Hybrid autofocus, it actually locks on to its subjects quicker than its bulkier and more expensive sister. Nonetheless, in saying all this, it's still far from small enough to fit in a pocket so you're more likely not to worry about the odd inch if you're lugging it around in a bag anyway. There's a joke or two there, but we'll leave that to you.

Pros: Autofocus quality. Small and light.
Cons: Less controls. No flip-screen.

NINJA BLOCK

Look, we already know that because of the fact that this looks pretty cool and is called a 'Ninja' Block, that you're interested, right? However, when we tell you this is basically a home automation kit, that allows you to hook sensors and cameras up to the internet, so you can control all the information they serve, your excitement may wane somewhat unless you are one of the more paranoid home owners out there. If you are the latter though, by linking with the Ninja Blocks' (fairly shoddy if we're honest) accessories you could find out exactly what's going on in your flat whilst you're on holiday, including exactly the temperature and humidity that the burglars are experiencing at that exact moment they trip the motion detector. However, you may want to turn that detector off at times, to avoid relentless notifications of movement after you come in pissed and stagger to the toilet every five minutes!

Pros: Able to access from any browser.
Cons: Accessories are tacky looking and clunky to use.

IPHONE 5C

Remember when Apple released the iPhone properly and talked about its (supposedly) unbreakable helicopter windscreen strength screen and the iPhone 4 with its perfect one-piece glass body and all the rest? Well, now, under pressure from Samsung and HTC in particular, what have they done to up the ante? They've released a really expensive plastic phone! To be fair, the 5C may look like the kind of thing you get free in a kid's magazine, but is packing the new and fairly magical iOS 7 and of course the same 326ppi retina screen, therefore making the user experience much the same, regardless of its outer shell. Plus, its new camera app may be one of its greatest selling points, with its switch between stills and video now a much easier swipe across screen and the addition of Instagram-esque filters. It's still pretty damn expensive for a plastic phone though!

Pros: Fundamentally an iPhone 5 for less. Quality operating system.
Cons: Nearly £500 for a lurid, plastic phone.

SONY SMARTWATCH 2

The new wave of Smartwatches are clearly aimed at either the pure poser or the relentless worker who can't bear to be away from emails or texts even when out doing something that's meant to be relaxing and good for you like sport. Therefore, Sony have kind of hit both demographics with this, making it perhaps the most stylish option on the market, whilst equipping it with the same touchscreen feel as their Xperia smartphone range.

On top of this they claim there'll be around 400 apps available so this will be like an ultimate upgrade from one of those Pac-Man watches of the 80s! Despite all this, though, you'd still need to plug in a headset to actually take a call as there's no speaker or microphone… or even worse, just have to use your phone and have the truly laborious task of taking it out of your pocket. Heaven forbid!

Pros: Responsive touchscreen. Design.
Cons: Expensive for what it allows.

HTC ONE MINI

Like everything in life, all size is relative. So you know that when your new girl makes a comment on your impressive manhood, it's obvious that she was just with a man who was struggling previously. Sorry to burst your bubble. This is similar in that because phones have recently been arriving as almost tablet-sized monstrosities, HTC can claim this one as a Mini version of their undoubtedly impressive One range. In fact it's still marginally bigger than it's rival iPhone 5! Maybe due to the fact that the HD screen is almost functioning to the same level as its original predecessor and that Sense 5 is such a great skin, people will forgive this slight stretching of the truth from HTC. Even if it's just less cumbersome when using its equally decent 4MP UltraPixel camera to take trout-pouted selfies in the club; such are the concerns of the day in both male and female worlds it seems!

Pros: Great Screen. Quality camera.
Cons: Short battery life. Only 16GB available.

OKTOBER SEX FEST

(Private)

We last travelled to Germany for the World Cup, and while we got to sample lots of beer and lots of sausages (no sniggering, please), we didn't get to experience any sex. Which is maybe why the Germans have seen fit to import lots of Private girls for this girl – maybe there aren't any girls who like sex in the Fatherland. They chose well – Anita Bellini, Anissa Kate, Abbie Cat, and there's the usual Private focus on tight-bodied girls getting bummed. Still, they bombed someone's chippy, didn't they?

Sex in Venice
Directed by Scarlett Revell

8/10

The last good bit of sex in Venice was Julie Christie and Donald Sutherland getting it on in *Don't Look Now*. Looking at the hotel rooms Harmony use in this, it doesn't look like much has changed – although why would you build a new boutique hotel in a sinking city? Still, architectural issues aside, this is another surefire stroker from Scarlett Revell, who gets Henessy and Mira handling things on the DP side, Irina Bruni looking unbearably cute as she's fucked hard and Sam Bentley proving once again that her bumhole is truly elastic. In other words, lots of (c)anal sex...

COMMUNITY SEX
starring Kayden Kross BiBi Jones

In theme and plot – suburban housewives have sex – Digital Playground have perhaps done their most typical film yet, and if you squint, you can't really tell them apart from Wicked anymore, who also plough this furrow. What holds the attention, however, are the girls. We don't know if Kayden Kross' boobs are real or fake, but if it's the latter, they're the best, most suckable we've ever seen. Bibi Jones is no-one's idea of a gonzo queen, but damn she's fine, while Kirsten Price is one of the queens of high-end, pretty porn. So no surprises, but lots of tasty wenches...

FUCK LIBRARIANS

The great British library has been having a hard time in recent years with closures and budget cuts galore, so it's good to see Bluebird Films doing their bit by finding some of the hottest female librarians getting dicked. And, by happy coincidence, these book-worms also happen to be British porn stars who are happy to be filmed being moisturised with judicious applications of cum. Still, there are many great French writers, and we're lucky that Gallic girl Lou Charmelle is on hand to don glasses and get gooed on. Call it a cultural exchange...

Russian porn has been a huge growth area on the net, but Sasha Blonde has been at it for a few years. Not that you can tell – she's still as fresh-faced and gorgeous as ever, with a look that would work brilliantly for magazines and top adult studios if that's the route she went. Instead, she flies her own flag on the web, largely in solo stroke material, but also with the odd bit of hardcore. That can be unsatisfying – she loves to suck balls and even rim, but the hardcore can be unfocussed, like she's stoned half the time. Still, with frequent updates and lots of her friends on the site, the girl with the generic porn name done good.

WWW.TRAMPLINGGIRLS.COM

It might come as a surprise to you (and it might not), but femdom sites that involve trampling on men – whether on their back, their chest, their balls or wherever – are big news. And if you're entering this marketplace, you'd better have some good stuff to offer.

This site is halfway there. It's Eastern European, so there are some language issues, and while some scenes are in 1080p HD, others aren't, while photos are big in resolution but small in number (and watermarked, which is very annoying).

We also got crappy download speeds. It needs work, but there's promise – and some genuinely hot girls – here.

As mission statements go, 'We shoot the hottest girls with the best cameras' is both very simple and very sweet. And Passion HD do not disappoint on either count. The girls here are a mixture of well known porn girls, rising stars and unknown newbies.

They're shot in full HD with good lighting and a heavy emphasis on POV action. There's solo stuff, girl on girl and oodles of hardcore. Mission statement achieved. Photos are limited to screencaps, but they're very good quality, as you' expect. And you're here for the video anyway, aren't you? If laughter is the best medicine, you're doomed…

What do masturbation and procrastination have in common? At first it's fantastic but eventually you just realise you're fucking yourself.

Why is a launderette a really bad place to pick up a woman? 'Cause if she can't even afford a washing machine, she'll never be able to support you.

I went to see a hypnotist last night. He called five male volunteers onto the stage and hypnotised them, but then he accidentally dropped the microphone on his foot and yelped, "Fuck me!" What happened then will haunt me forever…

A well-to-do, elderly gentleman started going to his local chemist regularly to buy condoms. Every Monday morning without fail, he would show up and purchase 10 boxes, amazing the staff that worked there. Eventually, after a number of months, the chemist decided to satisfy his curiosity and ask the man straight out, "I hope you don't mind me asking, Sir," he began, "But I couldn't help but notice that you come in every week and buy rather a large quantity of condoms! You must have the stamina of a bull! Can I ask you what your secret is?" The customer blushed beetroot red, looked at the chemist in disgust and replied haughtily, "I beg your pardon! I haven't been with a woman in decades and, quite frankly, I find the whole idea of sex rather revolting!" This took the chemist aback, "Well, what on earth do you do with all these condoms then?" he asked. The customer then surprised him by replying, "I feed them to my champion terrier dog, and now he poo-poos in little plastic bags."

What's the most intelligent thing a man can say? "My wife told me…"

Two men are out on the golf course, when one commented to the other, "Oh, guess what? I got a set of golf clubs for my wife yesterday." His friend replies, "Hey, that's a pretty great trade-in!"

TRY OUR NEW CRAP

A bear is chasing a rabbit through the forest, when they are halted by the appearance of a genie in their path. The genie says, "Bear, Rabbit, if you both agree to a truce – no more fighting or chasing and certainly no biting – then I will grant you three wishes." The bear and rabbit look at each other and nod, agreeing to the genie's terms. The bear goes first, and wishes for the biggest cock of all the bears in the forest. The genie claps his hands and the wish comes true. Rabbit is next, and wishes for an unlimited supply of carrots, so the genie again claps and grants the wish; carrots rain down all around the rabbit. Then it's the bear's turn again; he thinks for a moment, then wishes for all the other bears in the forest to be female. When the wish comes true, the rabbit asks for a motorbike, which appears in front of him. The genie tells them to use their last wish wisely. After much consideration, the bear tells him that he wishes all the other bears in the forest to fall madly in love with him. Again, the genie claps his hands together, and the bear is suddenly the most popular in the woods. The rabbit, sitting on his motorbike, uses his final wish to turn the bear gay, starts his engine and rides away in a cloud of dust.

How do men get fit on the beach? By sucking in their stomachs every time they see a bikini.

A young couple are lying in bed together, in a post-coital haze. The girl rolls over and asks, "Will you still make love to me as passionately as that even after the wedding day?" He strokes her face softly and replies, "Of course, darling – that is, as long as your husband had no objections."

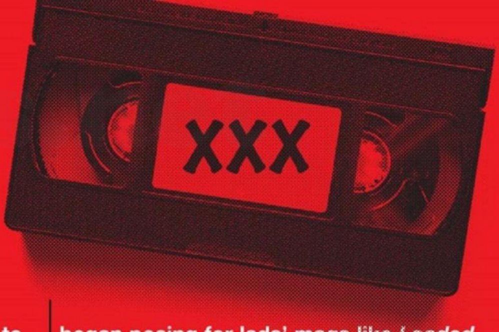
Celebrity Sex Tapes!



Six
Of The Breast

Ever since Paris Hilton's bedroom antics – shot in scary night-vision, no less – were released back in 2003 under the title, *One Night In Paris*, by her co-'star' and ex-boyfriend, Rick Solomon, there have been a plethora of 'leaked' films showing off stars' sexual acrobatics... Or not, as the case may be! *Club DVD*'s Tamara Noon bring you a selection of our favourite releases over the years – and fear not, dear reader, we decided to stay well clear of Mini-Me from *Austin Powers*, Hulk Hogan and Screech from *Saved By The Bell*'s efforts...

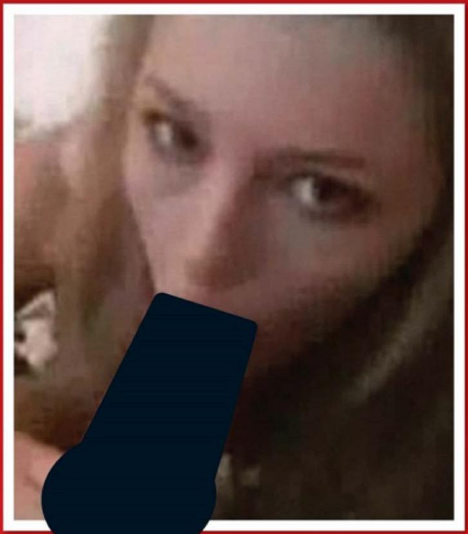
Who? **Pam Anderson & Tommy Lee ('98), Bret Michaels ('05)**

Released By?
Internet Entertainment Group.

Famous For?
Former *Baywatch* babe and *Playboy* covergirl Pam Anderson is one of the sexiest women on the planet, while her heavily-tatted ex-hubby was the skin-thumper for ancient, make-up wearing cockrockers, Motley Crue. He also has a schlong a horse would be proud of. Oh, and Pammy's other conquest, Bret Michaels, was known only to fans of 80's pretend-rockers, Poison.

Details, Please!
One of the first online sex scandals, Pam and Tommy's honeymoon tape is now infamous – and for good reason! Pamela, looking incredibly sexy throughout, gives the lucky bastard a blowie in the car, a nosh and a good fuck on a yacht (as you do) before letting him cum all over her; although the majority of the tape is the couple goofing around, the enthusiasm and the actual screwing is top notch. The tape was allegedly stolen from their house, and released without their consent, so they decided to sue. However after cutting a deal with the distribution company, the pair got a percentage of the film's online sales. The Pammy/Bret Michaels tape, which was filmed when they were dating years before, comprises of two scenes – neither of which are particularly clear. In the first, she sucks Bret off in a dark bedroom before riding the hell out of him, and the second gives a great view of Pam's fantastic noshing technique, and Bret giving it to her in cowgirl. The singer did sue the distribution company to stop the release, but it's still available online for anyone who wants to see it.

Year Released: 1998 and 2005
Length (ahem): Tommy – 75 minutes (although only 6 is actual sex). Bret – 4 minutes.
Rating: 4.5/5



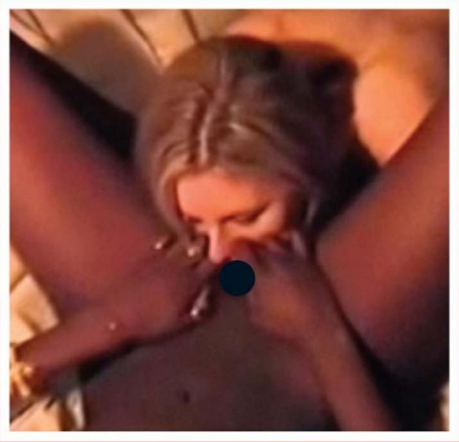
Who? **Keeley Hazell**

Released By? Leaked onto the internet, now streamed through Strictly Broadband.

Famous For? Winner of *The Sun*'s Page 3 Idol competition, Keeley gained a legion of fans with her pretty face and naturally huge bazookas, her fanbase increasing when she began posing for lads' mags like *Loaded*, *Nuts* and *Zoo*.

Details, Please! Considering her relatively squeaky-clean image, the footage showing her sucking her then-boyfriend, Lloyd Miller's prick, was a bit of a shocker. Unfortunately, you know it's not going to be a corker when the first thing Keeley does is warn her man not to sit on the trousers she's just ironed. And while the blowie may be half-decent, the idiots position the camera on a table so that you can't actually see her twat being stuffed.

Year Released:	2007
Length (ahem):	10 minutes
Rating:	1.5/5



Who? **Abi Titmuss & John Leslie**

Released By? Unreleased – the footage was stolen from a laptop and made public by an unknown source. Ahem.

Famous For? Nurse (and occasional reporter on *Richard & Judy*) Abi was dating ex-*Blue Peter* presenter John Leslie when the scandalous tape emerged. She subsequently lost her job, signed a contract with Television X and had at least 15 minutes of fame – coincidentally, about the same length as her flick.

Details, Please! The film may only clock up a quarter of an hour, but they've packed quite a lot in! Made up of a number of clips, the wobbly, handheld camera filming has a lot to be desired, meaning you miss quite a lot of the action, but what you do catch is pretty hardcore so still worth a gander. Pretty Abi shows promise to begin with, giving John Leslie a blowjob, and getting it on with model Aisha Abubakar, before indulging in a threesome, but alas, it doesn't feel as if Abi's particularly into it, her enthusiasm and energy levels are severely lacking. The leak of the footage to the press

catapulted Ms. Titmuss into the public eye, and she reportedly made a small fortune off the fuck film.

Year Released: 2004
Length (ahem): 15 minutes
Rating: 2.5/5

Who? Tulisa Contostavlos

Released By? Unreleased; leaked by her ex-boyfriend, rapper Justin Edwards.

Famous For? The foxy *X-Factor* judge is actually famous for being in N-Dubz – the same shit group as that cunt Dappy – and, more recently, releasing her own rubbish solo stuff.

Details, Please! The footage, presumably shot before her career skyrocketed, shows a fresh-faced Tulisa giving a blowjob to her then-boyfriend. Her technique has a lot to be desired – we almost feel like pointing her towards Pammy's vids for tips – so much so, it barely raised a dick-twitch, even when she flopped one of her pert tits out. And if her uninspiring sex vid wasn't bad enough, the way she handled its release was appalling; initially denying it was her giving head, she had her legal team threaten any website that mentioned it, before later posting a tearful confession that she is, indeed, the cocksucker in question.

Year Released: 2012
Length (ahem): 6 minutes
Rating: 1/5

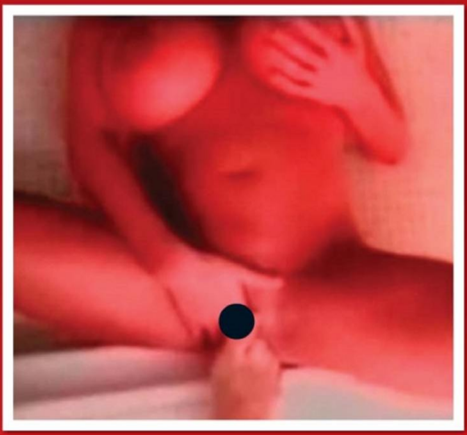
Who? Kim Kardashian

Released By? Vivid

Famous For? We're still not entirely sure what Kim –or the other Kardashians, for that matter – actually do, but we're sure it has something to do with her J-Lo butt and fuck-me eyes.

Details, Please! Made in 2004 when Kim Kardashian was dating wannabe-rapper and brother of singer Brandy, Ray-J, the sex tape was a big tabloid scandal, shooting the socialite into superstardom – although it did little for his career. Released as *Kim Kardashian: Superstar*, it features the sexy American swallowing her man's length enthusiastically, before getting her cooze eaten out and then pummelled from behind.

Year Released: 2007
Length (ahem): 39 minutes.
Rating: 3.5/5



Who? Katie Price (AKA Jordan) & Dane Bowers

Released By? Unreleased; allegedly stolen from Jordan's car and leaked onto the internet.

Famous For? Glamour model-turned shit reality TV star Jordan (real name, Katie Price) and Dane Bowers, from equally rubbish boy band Another Level dated for a number of years, in between her shagging Hunter from *Gladiators*, and making babies with footballers and wanky singers.

Details, Please! The tape, which was allegedly stolen from the flat the couple shared, begins with the pneumatic blonde giving well-endowed Dane a hand job, before sucking him, then fucking him. You're almost starting to wish you were there, when the scene changes, with a nice POV shot showing Jordan having a wank, but then numpty Bowers goes and spoils it by sticking his toe up her chuff. Which is just odd, unless you have a fetish for hairy, men's feet, which we don't.

Year Released: 1999
Length (ahem): 3.5 minutes.
Rating: 3/5
